WAKES AND MEMORIALS

## a little place to celebrate life...

Say goodbye to loved ones with a memorial event hosted in our warm and inviting space.

Our 200-year-old Georgian town house has a beautiful cellar 'snug' with a private bar that can host up to 30 family and friends.

Situated in Amesbury, Wiltshire and moments from historic Stonehenge, Fairlawn House offers an exclusive space available for wakes and memorials.

### Catering

We know planning a wake during such a difficult time is stressful enough without the added pressure of finding the perfect venue and catering. We work with many local suppliers and can support you with your planning.

### Accommodation

If you or your loved ones are coming from afar, we have the space to bring you together in one of our 15 guest bedrooms.
